Ltd

Intro

Queenswell Junior School Records needs you and your family !! We're looking to find new management in the music industry and spot the next big talent. We've just received a huge investment from Mr. SC himself to fund this incredible record label. Mr Simon Cowell has funded us with a humongous sum to find the best musical talent in Queenswell history. Can you be the one to manage us to the top of the charts?

What we need:

- You as our newest management need to create or find a new original band or artist that will climb the music charts.
- What is the name of your band/artist?
- What genre/style of music will the band/artist play and who would listen to their songs?
- If it's a band, how many members will there be?
- What instruments will the band/artist play?
- Who influenced the band/artist?
- How many original songs has the band/artist composed? What's the name of their songs?
- Design a logo for the band/artist.
- Design and create merchandise for the band/artist.

Mr S. Cowell
