

The big music research project

A music research project for you and your family at home

The big music research project is designed to get everyone at home talking and listening to a wide range of music. You can do this with absolutely anyone in your own home. Your adult, parent/carer can also ask you about your musical influences and what styles of music you enjoy. Enjoy.

How to start:

- 1) Ask your adult, parent/carer at home to name an artist/band which influenced them when growing up.
- 2) Listen to some of the songs or an album by the band/artist.
- 3) What is your adult's favourite song by the artist/band?
- 4) Did you like the music by the artist/band?
- 5) Do you have a favourite song by the band/artist?
- 6) What era was the band/artist most famous in?
- 7) What genre of music the band/artist plays?
- 8) What was their biggest hit?
- 9) How many number 1's did the band/artist have?
- 10) Would you recommend the band/artist to your friends & other family members?

How to present:

You can present your research project in any way you wish. Here's a few ideas below to present your music research project.

- Leaflet
- Flyer
- Poster
- Booklet
- Fact file
