BARNET
LONDON BOROUGH

From sports to arts and the universal language of music and beyond... Positive Activities offers a FREE diverse range of activities designed to ignite passions and foster growth.

We offer term time and holiday activities throughout the year in Barnet. We provide a safe and inclusive environment where every young person can freely express themselves.

Barnet's young people have described Positive Activities as "fun" and "exciting" and in the activities they can "make friends" and "learn new things". It's a space where creativity meets opportunity, leading to moments of achievement and the joy of exploration.

We understand that every young person is different, so we have a variety of workshops and sessions available.

Something for everyone:

- Music & Media
- Performing Arts
- Life Skills & Training
- Sports & Fitness
- and so much more
