Why are we asking for your consent again?

You may be aware that we are subject to UK GDPR and the Data Protection Act 2018

To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.
