Dear Parents/Carers,

We are pleased to announce that a new after-school Science Club, delivered by **Mother Nature Science** will be starting in the **spring term**. The club will run **every Tuesday 3:30-4:35**, beginning on the **13th of January** and will be open to **KS2 (year 3, year 4, year 5 and year 6)**.

Places are limited to **20 children** and will be offered on a **first-come, first-served basis**. Each weekly session will cost **£11.20 per child**. However, this will need to be paid each term at **£89.60**. **Payments are to be made on Arbor.**

About Mother Nature Science:

Mother Nature Science aims to inspire a lifelong love of science through safe, fun and practical activities. All sessions are:

- **Safe** – fully risk-assessed and led by qualified, vetted instructors with first-aid training.
- **Fun** – designed to spark imagination and excitement.
- **Hands-On** – using everyday materials to promote active participation.
- **Educational** – linked to the UK National Curriculum and modern teaching approaches.

We hope your child will be able to attend and will enjoy this exciting opportunity to explore, discover and grow through science.

Kind regards,

Miss Millwood
Science Lead

**WE HAVE
ACHIEVED**
