Dear Parents/Carers,

We are pleased to announce that a new after-school Science Club, delivered by **Smart Raspberry cookery school** will be starting in the **spring term**. The club will run **every Thursday 3:30-4:30**, beginning on the **15th of January** and will be open to **Year 1-Year 6**.

Places are limited to **15 children** and will be offered on a **first-come, first-served basis**. Each weekly session will cost **£11 per session**. **If you are interested in your child joining you will need to register online [www.smartraspberry.com](http://www.smartraspberry.com) or contact Mahsa Bayst on 07777 118399 or by email [mahsa@smartraspberry.com](mailto:mahsa@smartraspberry.com).**

Each week, children make a brand-new recipe alternating between savoury and sweet. At the end of each session, they take home their creation to share with the family, along with a laminated recipe card so they can make it again at home.

All ingredients, cooking equipment and packaging are provided - you just need to book your child's place and we'll take care of the rest!

Kind regards,

*Georgie McGuirk*

School Administrator
