External Summer Term 2026 Club Information

Dear Parents and Carers,

This morning, **Creative IQ** visited our school to deliver an exciting assembly about their upcoming enrichment club for children in **Reception through to Year 6**. The session gave pupils a wonderful insight into the creative, hands-on activities they can look forward to in the **Summer Term**.

Families are encouraged to view the flyer and follow the link below for full details on how to sign up. It promises to be a fun, engaging opportunity for children to develop new skills and express their creativity.

🔗 **Book here:** <https://book.creative-iq.co.uk/book-now>

We are also pleased to confirm that we will be offering even **more external clubs** next term:

Express Yourself – KS2 Drama Club (Mondays)

This club provides a lively and imaginative space for children to explore drama through games, performance skills, delivery techniques, and character work.

Across the term, children will share ideas, devise scenes, rehearse, and work towards a **unique end-of-term performance**, written and adapted specifically for the group.

Mother Nature Science – Summer Term Club

We are delighted to confirm that **Mother Nature Science** will continue running their club next term. Please note that **bookings will now be made directly through Mother Nature Science**, not via Arbor.

To secure your child's place, please book and pay online using the link below (takes under 5 minutes):
