Team GB Sports Visitor

Dear Parents,

As you know, our Sports Days this year are happening on Tuesday 9th June for Year 1 and KS2, with the EY Sports Day on Tuesday 30th June. It will be exciting to see the new generation of athletes starting their exciting journeys! I also look forward to seeing some great sportsmanship and team work as the school Houses go head-to-head.

To inspire the children to even great heights on these two occasions, I have arranged for a visitor to come to school on Monday the 8th June. This is a wonderful opportunity for the children to come and meet, listen to, and work with, a real-life GB athlete! We will find out a few weeks before, exactly who our visitor is, but they will definitely be a member of team GB.

In order for this exciting event to go ahead, we kindly request that each parent contributes £3 towards this event on Arbor.

Many thanks,

J Marshall
PE Lead and Year 5 Class Teacher
