RE: BEAT Update

Dear Parents / Carers,

I am writing to inform you of an important change to the way music lessons will be organised and paid for from September 2026.

Any parents wishing their child to receive individual music lessons will need to book and pay for these directly through BEAT. This means that the school will no longer manage payments for individual tuition.

Once you are registered, BEAT will issue payment reminders. Please be aware that, due to the large number of students they support, BEAT operates strict payment deadlines and is unlikely to offer flexibility with late payments. We therefore encourage you to ensure payments are made promptly to avoid any disruption to your child's lessons. The school will have no influence on supporting issues with late payments.

If you would like to sign your child up for music lessons moving forward, please follow the procedure outlined below:

Please use this link to register for an account and apply for lessons.

<https://beatrust.org.uk/learn-to-play/school-based-tuition/>

When you sign up, you will receive an automated email which states the child will be placed on a waiting list. BEAT allocate places on a first come first serve basis and once tutors available hours are filled, the child will remain on the waiting list until a space becomes available. The school have provided BEAT with the list of children who currently receive tuition, they will keep track and let us know who has enrolled.

If you have any questions about this change, please do not hesitate to get in touch. If you have trouble enrolling please email admin@beatrust.org.uk.

Thank you for your continued support.

Yours sincerely,

Mrs. Schmitz
Music Co-ordinator
