

Question 1: Draw all the lines of symmetry on each the shapes below

Which two shapes have a line of symmetry?

Draw a shape with:

- (a) 1 line of symmetry
- (b) 2 lines of symmetry
- (c) 0 lines of symmetry

Here are some patterns.

Write down the letters of any pattern that have a line of symmetry.

Which of these shapes has the most lines of symmetry?

**Kite      Parallelogram      Rhombus      Trapezium**

Question 1: Reflect each shape in the mirror line given

Question 2: Reflect each shape in the mirror line given

Question 4:

(a) Reflect triangle A in the x-axis      (b) Reflect triangle B in the y-axis      (c) Reflect shape C in the x-axis
