L: Can I write a diary entry?

Dear diary, I was ~~water~~ watering a tree
~~but it~~ but it ^{didn't} grow. I ^{wasn't} ~~wouldn't~~ surprised
because I lived in a desert and
It it was so hot! Every time I poured
a little bit of water nothing happened
but I kept on trying. I was ^{next page paragraph} getting
bone-tired and all of the water ran out!
What was I going to do? ~~now?~~ I was
feeling parched and faint that's when I felt
myself falling down, down and down. I noticed
that my sweat drop made the tree grow!
It was a miracle that I will never forget!

That's all for now see you next time
bye!

😊 Target met!
