24 September 2026

Dear Parents and Carers,

I am writing to let you know that Ms. Evans is currently absent from school due to ill health and has been signed off from work for approximately one month.

We are sure you will join us in wishing Ms Evans a full and speedy recovery. We recognise that she is a valued member of our school community and that many children really enjoy learning with her. She is currently unable to be in school due to illness, and we hope that this period of recovery enables her to return to work as soon as her health allows.

In the meantime, we are actively seeking a suitably qualified supply teacher to cover the whole period of absence to provide consistency for the children. Our priority is to ensure that pupils continue to receive high-quality teaching and support during this time.

While these arrangements are being put in place, Ms Donaghy, will oversee provision and ensure continuity for the children. She will work closely with staff to ensure that learning remains consistent, expectations remain high, and that children continue to make good progress.

We recognise that, for some families, this is not the first time your child has been affected by staff absence. We understand that changes in staffing can be unsettling and may cause concern. Unfortunately, staff illness is not always something that can be anticipated or prevented, and we appreciate your patience and understanding when such circumstances arise. Please be assured that we will always do everything we can to minimise disruption and maintain stability for our pupils.

Thank you for your continued support and understanding. Should you have any questions or concerns, please do not hesitate to contact the school.

Yours sincerely,

Mrs Longworth
Executive Headteacher
