Dear Parents and Carers,

SATs Companion – Homework and SATs Preparation

We are committed to supporting every child in achieving their very best in the upcoming Key Stage 2 SATs, which will take place in May 2026. To help prepare pupils in a consistent and engaging way, we are introducing **SATs Companion** as part of our homework and revision provision this year.

SATs Companion is an online learning platform designed specifically to support Year 6 pupils in preparing for the SATs. It includes:

- **Personalised homework and practice tasks** set by class teachers;
- **Interactive videos and quizzes** to reinforce key skills;
- **Instant feedback** so children can identify and work on areas needing improvement; and
- **Comprehensive coverage** of English, Maths, and SPaG topics.

We will be using SATs Companion as our main method of setting homework. Children will be expected to complete their weekly tasks through the platform, and we encourage them to use the additional practice resources to build confidence and familiarity with the SATs format.

To cover the cost of providing access to this resource, we are asking for a payment of **£12** for the year. This fee gives your child unlimited access to SATs Companion at school and at home.

Please make payment via Arbor by Monday 2nd November. If you have any difficulty with the payment, please do not hesitate to contact the school office to discuss support options.

Thank you for your support in helping your child make the most of this opportunity.

Kind regards,

Ms. Oxland and Mr. Holloway

Year 6 Teachers
