NORTHSIDE
Primary School

5th November 2026

Dear parents and carers,

I am delighted to announce that Year 3 will be taking part in a Virtual Workshop next Friday 13th November as part of our new 'Biomes' topic. The workshop will be run by the Eden Project, which is home to the world's largest indoor rainforest and is located in Cornwall. The workshop is called 'Rainforest Connections' and the children will learn about Geography and Science. They will discover how learning about rainforests far away relates to their own personal, daily life.

The workshop costs £3.16 per child and the payment will be available on Arbor in the trip section.

Yours faithfully,

Miss Bennett, Year 3 class teacher
